

THRIVE Evolve

Monthly cost of £197 plus VAT*

Give multiple members of your team the chance to maximise their networking opportunities with our flexible corporate offer. It's perfect for bigger businesses to nominate members of your company who can take advantage of the typical Thrive membership by sharing the group spot. Your company will also get a host of extra benefits, all designed to position you as professionals at the top of your game and to amplify your marketing messages across our community and beyond.

Evolve Package & Benefits

Initial workshop for your staff, at your premises. We train your team all about effective networking, giving them the tools to do the job and making them feel more confident. We have numerous examples of taking inexperienced networkers, typically very nervous at the outset, and transforming them into highly effective, confident advocates of your business.

A Thrive networking plan for the team and individuals, identifying the key contacts they would like to be introduced to and potential collaborative partners.

Quarterly review workshop to ensure we stay on track

Initial 121 meetings with each individual member

Opportunity to present Mastermind workshops to other Thrive members, demonstrating your expertise to as wide an audience as possible

Dedicated speaker slots throughout the year

Professionally written blog, being a rich piece of content written by an experienced journalist who will capture the key points in an illuminating and informative feature. We will share this across our social channels and is available to you as well.

Monthly invitation to Thrive Connect, a fast-paced opportunity to network with the wider Thrive community and invited guests.
